**Planning**

Wednesday 27<sup>th</sup> June 2018 19:00  
**Directions & Strategy**

## ANNUAL TOWN MEETING

Why not come along to the Annual Town Meeting? This is not a meeting of the Council but an informal event to discuss community matters. You will have the opportunity to hear about what the Council and other local organisations have been doing over the last year, you can also can raise any matters relating to the Town. Last year's meeting was really well attended and a great opportunity to find out about the excellent work that goes on in our Town and network with other organisations.

## WAR MEMORIAL

Skegness Town Council has commissioned work on the war memorial in front of St Matthews Church. The memorial has been professionally cleaned by a qualified memorial mason and the inscriptions have been re-enammalled, ready for the centennial commemorations later in the year. Take a look at the before and after photos.

With the help of the local community and professional planning consultants Skegness Town Council is developing a Neighbourhood Plan for the area. This plan will give communities direct power to develop a shared vision for the neighbourhood and shape the development and growth of Skegness. Neighbourhood planning provides a powerful set of tools for local people to ensure that they get the right types of development in their community.

As well as a Council working group for the project a steering group, made up from local organisation representatives, has been set up. Initial consultation on the issues the plan should tackle has taken place and a workshop will be held in May to further develop the vision and prioritise the areas and issues the plan should tackle.

The key to a successful plan is the involvement of the local community to identify local issues and shape the plan. Are you interested in helping shape the future of Skegness through Neighbourhood Planning? If so please contact the Town Council and look out for the upcoming community engagement events and workshops.

Keep up to date on everything that is happening in the Town including consultations, newsletters, meeting and events by [subscribing to Council news](#).

## GENERAL DATA PROTECTION REGULATIONS (GDPR)

You may have heard that new Data Protection Regulations are coming into force on 25<sup>th</sup> May 2018. Skegness Town Council takes its responsibilities seriously and is committed to protecting your personal data.
