A) **Councillor D Brookes** – *I have been approached by a concerned resident regarding the recent tent fire on King George V walk Winthorpe. I understand evidence of hard drugs use was found at the site of the fire by the Fire Brigade. There is also continued underage drinking on the field and the use of unlicensed motorcycles. What action will the police take to reduce the incidents on the field and do Police patrols take place, as the people in the tent had been living there for a number of days before the fire?*

B) **Councillor Mrs M Gray** – *Can the Police confirm whether or not Skegness Police Station is to continue to be open 7 days a week and that the daily hours are not to be reduced?*

*I am aware that residents have been advised the station will not be closing but would the Police representative please state categorically that there are no plans for Skegness Police Station to become part-time. I know the station is on reduced hours on Sundays and Bank holidays and because of that you could say the station is already part time, however, residents need to know and should be advised if reduced hours are to be extended to other days in the week?*
