'Is there any way that the present patrolling around TSB bank can be highlighted and made more obvious?

There are people hiding on the fire escape round the back drinking and doing other anti-social things like urinating up doors. They think they are hidden from the authorities view.

Also I have noticed the vulnerable elderly are being approached at the cash machines. These people want a peaceful life and hence will not report this, these people need protecting.

Any help and advice would be appreciated'.
