TOWER PAVILION PROJECT CONSULTATION

Skegness Town Council remains committed to replacing the dilapidated pavilion building in Tower Gardens. Late last year, after initial consultation on the project principles, Council undertook a feasibility study and decided to self-fund a scheme to create a community building on the site to include a function room, tea room, accessible toilets (including hoist) and provide a small office space for the Town Council. The budget for this project is approx. £1.5 million.

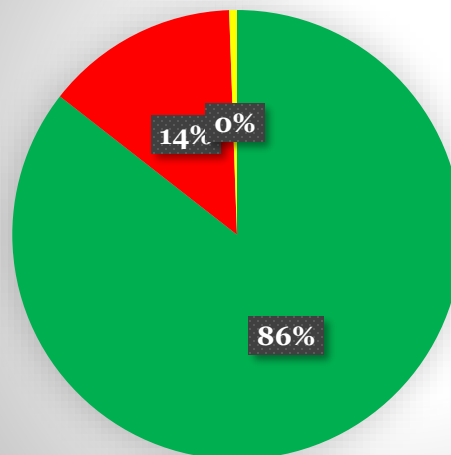

“Consultation took place late last year on the principles of the project and the associated budget, 86% of the respondents were in favor of the project principles” Deputy Town Clerk

PURPOSE OF THIS CONSULTATION

The Town Council unanimously agreed to move forward with the design stage of the project at an extraordinary meeting in July 2018. The Council wants to make sure the building is designed in a way that is functional and accessible to the community. The Consultation will run through August 2018 and the Council wants your feedback on how you might use the community building, so that this can be taken into consideration when drawing up the architectural plans during the design phase and making future decisions on the use of the space. For the project to be successful the Council needs your ideas, feedback, comments and support.

HOW CAN I JOIN IN THE CONVERSATION?

- There is a [feedback form](#) for you to complete on our website.
- You can collect a paper version of the feedback form from our offices at the Town Hall or give us a ring and we will pop one in the post.
- We will be live on our social media sites the last week in August posing questions to gain your views but also answering any questions that you might have.
- Come and talk to us in the Council chamber at the Town Hall, we will be available from 6pm-7pm on 7th and 28th August 2018 or ring 01754 766113 to make an appointment that is convenient to you.
- Send us an email with your thoughts on the project info@skegnesscouncil.org.uk, we'd especially like to hear from you if you are a community organisation that might be interested in using the hall or meeting facilities.

All your feedback will be taken into consideration when decisions on the design, layout and usability of the Community Hub are made.

We look forward to hearing from you.
