A NEW YEAR

We do hope that everyone got the chance to spend time with loved ones over the holidays and wish everyone a Happy New Year. The Mayor would like to thank everyone that invited him to their festive events, with a special mention for all the volunteers and organisers making sure these events could take place. Unfortunately the pandemic is still affecting our lives and the Town needs to come together and support each other through this terrible period. We still have a lot to be thankful for and this year we need to say thank you to Councillors B Brookes, T Burnham and D Brookes for their East Lindsey District Councillor Grant which enabled the Town Council to have a tree in Tower Gardens this year. We also need to say a big thank you to Stage Door Productions for singing carols in the bandstand and for the performances from Skegness Silver Band, courtesy of Visit Lincs Coast.

BUDGET AND PRECEPT

The Town Council is facing rising costs in all areas of its operation, after much consideration the budget and precept was agreed at the Council meeting on 12th January 2021. The precept, which is the element of Council Tax attributable to the Town Council was set at £582,578. This represents a 9p per week increase per Band D property or 6p per Band A property.

UNWANTED PRESENTS LEFT ON BERESFORD FIELD

Please make sure you are clearing up after your dog, the Council acknowledges that most people are responsible dog owners but there are a few that are letting our Town down. There has been a noticeable increase in dog waste left on Beresford Field and it is simply not acceptable. Help us to keep this amenity space safe and enjoyable for everyone. Remember children are playing in the area and pick up your dog mess! You can put a [dog fouling incident report](#) to East Lindsey District Council to report irresponsible dog owners. Help keep our Town clean.

TREE PLANTING

Any day now we are expecting a delivery of over 100 trees from Lincolnshire County Council which the Council's grounds team will plant on the amenity grass in West Way, Winthorpe. Not only will this provide environmental benefits but will help protect the area from illegal occupation which has been a problem in the past.

COMMUNITY HALL

The Community Hall in Tower Gardens is very popular and is used by many different groups. Are you looking for a space to hold your regular group or meeting? The hall has a regular vacancy every Thursday between 1:30pm – 4pm, please give the office a ring if you are interested in using this space on a regular basis.
