NEIGHBOURHOOD DEVELOPMENT PLAN CONSULTATION

The statutory six week consultation on the Neighbourhood plan has now come to an end. Thank you to all the organisations and individuals that took the time to comment on the plan. Feedback from the consultation will now be reviewed and any necessary changes will be made before it is submitted to East Lindsey District Council who will coordinate a further final consultation before it is submitted to an independent examiner who will make further modifications if needed. The plan will then be sent to referendum where if successful it will become part of the statutory plan for all developments in the area.

CAFÉ DANSANT – A COMMUNITY CAFE

This will be the first winter period that Café Dansant has been able to open. The café has a new winter menu offering home made soups and hot daily specials. The café staff are also working hard on recipes for Christmas bakes. A warm welcome awaits all that visit.

“I want Café Dansant to support the community, if you are involved with a group that is looking for a safe and accessible place to meet come and see me”. Steph Sears, Manager Café Dansant

Café Dansant already supports a community crafting group, and RNIB group but would be more than happy to reserve some tables for your group if you need a place to meet. Maybe you have an idea for a new community group that Café Dansant could help with, if so please come and see the Café Manager or give the café a call on 01754 840030.

CHRISTMAS TREE AND ILLUMINATIONS

I think we are all looking forward to being able to get together with our family and friends over the festive season this year. Skegness Town Council are proud to provide the Christmas Tree outside the Hildred's Centre and the Christmas illuminations along Lumley Road and the High Street.

This year, with thanks to an East Lindsey District Councillor Grant from Councillors B Brookes, T Burnham and D Brookes there will also be a tree in Tower Gardens by the bandstand. Why not enjoy some time in the gardens and come and see the new tree?
