11. MOTIONS

Motion 1

Skegness Town Council make provision within the budget and allocate £1000 for a Christmas tree and decorations including lights. This is for the year 2023/24 and is to secure a tree etc as Council will change and none of us will know what will happen in the new Council including things like the District Community Grants. Any underspend from this money is to be put into a newly created Christmas tree reserve.

We would also like this Council to be proactive and place an item on the agenda for July 2023 meeting for the new Council to discuss the Christmas tree and decs for the next term of Council this to include if Skegness Town Council are going to budget for the tree for the term or if other funding has to be found.

Proposed by Cllr R Cunnington
Seconded by Cllr M Dannatt

Motion 2

Skegness Town Council investigate the following information to see if we could apply to the fund and be considered, we would be setting up a project to carry out the development of an all-inclusive play park for children within Tower Gardens. This park would be an exemplar park and one for us to be proud of for our residents and the children's users, to run alongside the Towns Fund project as the design of the play area is within the Towns Fund project however cannot be funded by the Towns Fund.

If the above motion is successful

As part of this motion due to vandalism we would like to consider if possible, police CCTV to cover the play area and signage to clearly highlight this.
