17. MOTIONS.

Motion 1

That the town council puts up at our new building a flagpole to fly the union flag. I was asked by a few residents after the sad passing of Prince Phillip why we didn't have one when so many others did. I believe now is the time to rectify this sad oversight.

Proposed Cllr Pete Barry
Seconded Cllr Danny Brookes

The Town Clerk has made comments in respect of this motion (attached).

Motion 2

Skegness town council write to a lady works for Riseholme college whose details I have provided in a separate email. In preparation for any refurbishment to Tower Gardens in relation to the Towns Fund from the previous motion which had huge support and created the opportunity for the town council to apply to the fund. We would be asking the lady to attend a town council meeting when we have more information from the towns fund as to where we stand whether, we are getting any money and how much and when.

The reason for this would be to share with her being an expert in her field any aspirations we have for the gardens in relation to the sensory trail/gardens we have. We could ask if she would be able to introduce us to anyone this may include a degree level type student who would be willing to VOLUNTEER to work with us to design a vision for the gardens to meet our needs. This would provide us with a plan and be good for the person as experience and would be free of charge this design could then be used as part of any future work the council need to do for the towns fund.

The motion is nothing more than being proactive thinking ahead I understand we put the clerk under pressure when the last motion went to council as he only had a few days to get us to the position we are in, and I thank him for that, and I am sure we would like to be ready when it comes to it for the next stage so we do not miss out on the fund.

Proposed Cllr R Cunnington
Seconded Cllr B Brookes

Motion 3

To find the true cost of the grass verge, parish path, Tower Gardens and other amenity grass cutting, including overheads like the units etc. The costs are to be broken down as much as possible from other grounds team tasks.

Proposed Cllr B Brookes
Seconded Cllr D Brookes
