

NOTICE OF POSTPONED ELECTION

East Lindsey

Election of Parish Councillors

for the Parish Ward listed below

Parish	Number of Parish Councillors to be elected
Skegness, Woodlands Parish Ward	One

1. Further to the recent Notice of Vacancy published for the above Parish Ward, a valid request by ten local government electors to fill the casual vacancy by means of an election has been received by the Returning Officer.
2. In response to the Covid19 emergency, the UK government has passed the Coronavirus Act 2020 which provides for Regulations to be made to postpone polls up to 5 May 2021 for a specified period.
3. A date for a poll for the above election will not be fixed until said Regulations have been issued and the public health situation has become clearer.
4. The Returning Officer has taken this decision in order to alleviate significant concerns about the wellbeing of both elections staff and the wider electorate involved with running a poll in the current climate.
5. A revised Notice of Election detailing the election timetable will be published by the Returning Officer once a date for the Poll to take place has been fixed.

Dated Monday 27 July 2020
